

A Lightweight Toolkit for Interview-Oriented Knowledge Organization

Sun Yuanming - Placeholder PDF for personal academic portfolio

Field	Placeholder content
Level	Conference paper placeholder
Purpose	This file keeps the publication PDF link valid before the real paper is uploaded.
Note	Replace this PDF with the official manuscript, accepted paper, or preprint when available.

Abstract placeholder

This section can later contain the abstract, research question, method, experiments, results, and author contribution statement. The current file is intentionally lightweight and deployment-safe.

Replacement path: place the real PDF under files/papers/ and update the matching pdf field in js/site-data.js.
